The Jefferson Library has applied for membership in the proposed Library Development Program approved by the 1963 New Hampshire Legislature, whereby affiliated Libraries will become part of a State-wide system of co-operative Library services.

Besides other benefits for members, funds from a State appropriation are expected to be made available to local Libraries for the purchase of reference and educational material. Your Library is planning to buy a set of Encyclopedia when these funds are provided.

Use your Library. Everyone is welcome.

Library hours are on Saturday, 2:00 to 4:00 p. m.

Auditor

HEALTH REPORT

Mr. Vyron D. Lowe, Town Clerk
Jefferson, N. H.

To the Citizens of Jefferson:

During 1964, 274 visits were made in the community, and these visits are classified as follows:

Administration and Promotion	32
Antepartum	7
Cardiac	11
Cardiovascular	1
Communicable Disease	6
Crippled Children's Service	24
Health Supervision	146
Mental Health	18
Postpartum	7
School	15
Sight Conservation	6
Mentally Retarded	1

The Heaf testing program for tuberculosis was carried out in the school and 114 children participated in the program.

Three children have attended the Orthopedic Clinics in Berlin.

Eleven children were examined at the Preschool clinic, and 15 immunizations were administered.

To improve our community health programs, we must realize, that the enjoyment of the highest standard of health is one of the fundamental rights of every human being, without distinction of race, religion, political belief, economic or social condition. The health of all peoples is fundamental to the attainment of peace and security, and is dependent upon the fullest cooperation of individuals and communities. The health development of a child is of basic importance; the ability to live harmoniously in a total changing environment is essential to such development. Informed, active cooperation on the part of the public is of the utmost importance in the improvement of the health of their people. Help your neighbors to accept good health policies and hopefully bring about a better understanding and improved use of existing health services.

It is with pleasure that I extend my appreciation to the Citizens of Jefferson for their cooperation during the past year.

Respectfully submitted,

ELEANOR D. KENNEY, R.N.

Public Health Nurse,
District #2

PROGRAM OF THE WHITE MOUNTAINS REGION ASSOCIATION

1964

The White Mountains Region Association this year has published and distributed 136,000 promotional folders and cooperated with the five other Region Associations in publishing 400,000 copies of the New Hampshire Accommodations Booklet.

We received a total of 7,500 individual inquiries about the Region which were answered with a package of folders and with personal letters. Because we are closely associated with the State of New Hampshire promotional effort, we receive in our office inquiries which are generated by the State. The Region Association's address is listed on one and one-half million individual pieces of literature published by the State.

In addition to maintaining an active and effective mailing office, the Association has encouraged and promoted many important developmental projects for the region. Such projects include Northern Ventures, a venture capital corporation to assist people who have ideas for industry; Temple Monorail System at Twin Mountain; the Kilkenny project in Lancaster; Mt. Agassiz Development in Bethlehem and Big Bear Ski area at Bartlett.

Through our Industrial Council we have changed the emphasis of industrial development of the State of New Hampshire so that it includes the northern three counties and also encourage a "do it yourself" attitude with industrial development groups.

Last year we assisted in promoting an appropriation of \$65,000 for the construction of the Whitefield Regional Airport and went on record opposing the Livermore Falls Dam in the Pemigewasset Valley.

Presently we are planning to establish an active Historical Sites Committee who will encourage the development of major historical sites in the region, an asset which we have which has not been developed to its full potential.

The work of the Association is continually hampered by a lack of adequate funds. In order to do the work necessary to raise our economy, the full support of all towns in the region is needed.

Respectfully submitted,

JOHN P. WILSON

Executive Secretary
Lancaster, New Hampshire
